CIRCULAR (Class IV & V)

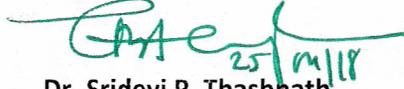

Dear Parents,

Greetings of the Day!

We are pleased to inform you that the students of Classes IV and V will be given an opportunity to be a member of 'Souhridha Club'. Being an environment friendly club, its objectives are to save water, maintain cleanliness of the surroundings, minimize the usage of plastic, make the environment green by growing more plants around and give awareness about the Health and safety measures. In order to achieve an eco friendly environment in the school and to develop the right attitude and values in all the students, this club is planning to have five committees as mentioned below in the membership form. Kindly tick the committee (any two) of his/her choice in the attached membership form and submit the same to the class teacher on or before Sunday, 29th April 2018.

Note: The allotment of the club will be subject to availability of seats.
