CIRCULAR
(KG I to XII)

Dear Parents,

Greetings!

As the board exams are starting shortly, students are reminded of two initiatives started by the Board to help them prepare better for their examinations:

1. Round-the-clock tele-counselling:

The hotline counselling service, developed in response to the rising emotional and psychological challenges prevalent in society, reflects the Board's focus on ensuring the dignity and diversity of all students.

The number for this dedicated service is 90990444.

The initiative strives to offer free, confidential and non-judgmental support to students in despair due to personal or academic concerns. A team of qualified counsellors with expertise in tele-counselling has been put in charge of promoting and protecting the wellbeing of every student who makes a call for advice and help.

2. Tele-Tutorial for Class X & XII students:

Experienced and competent teachers in different subjects have been identified to clear the doubts of students until the board examinations are over.

Tele-tutoring will be available for the following subjects:

Class X   - Mathematics, Physics & Chemistry
Class XII   - Mathematics, Physics, Chemistry, Accountancy & Economics

Teachers in each of these subjects will be available on WhatsApp. Students can also call them personally between 6:00 p.m. and 9:00 p.m. until the board examination of the above mentioned subjects.

The dedicated numbers for the subjects are as follows:

CLASS X – PHYSICS	72323682 & 72323691
CLASS X – CHEMISTRY	72323683 & 72323684
CLASS X – MATHEMATICS	72323685 & 72323686
