CIRCULAR (Class IX to XII)

ISOVLE (Indian School Oman Virtual Learning Environment)

Dear Parents,

Greetings of the Day!

ISOVLE, an initiative by the Board of Directors of Indian Schools Oman for creating extended classroom teaching through the virtual learning environment network has been a success with active participation of both teachers as well as students.

Students can access resources and activities, facilitating extended learning experience beyond the traditional classroom through this portal.

VLE Portal Link: www.isovle.net

To access the portal, students can use the school code (04) and their GR. No. as username and date of birth (without any slash or hyphen) as password.

For example, a student with GR.No.5674 and Date of Birth 06-02-2003 will enter as follows.

Username: 045674

Password: 06022003

Students are requested to visit this site and access the latest sample question papers, worksheets and video lessons from subject experts.

Thanks & Regards,

Alexander Gee Varghese
Acting Principal
