CIRCULAR (KG I to XII)

Dear Parents,

We thank you for the good support and cooperation extended to the school and we are confident that you all would help the school when it is in need. As you all are aware that our school is a community school and the lone source of income for running the school is fees collected. Of late, it has been noticed that the number of fee defaulters are alarmingly increasing, which affects the day to day operations of the school. SMC has been taking all efforts to support the genuine, needy parents in the best way possible.

Providing education to our children is an important social responsibility and paying fees to the school on time is the responsibility of the Parents. With this social commitment the school has never denied the right to education to our students on account of their parents' financial inability to pay the fees, and the present scenario is quite scary and we are left with no choice than taking measures to collect the fees arrears as early as possible.

School has provided the provisions for monthly and quarterly fees payments and we hereby request the parents to take necessary measures from their end to settle the dues within this month.

Please ignore this circular if you have paid all dues till date.

Fee counter timing: Sunday to Thursday: 7:00 am to 2:00 pm

We solicit your kind cooperation and support in this regard.

Thanks & Regards,

Alexander Gee Varghese
Acting Principal
