CIRCULAR (KG II - IV)

Dear Parent,

Greetings of the Day!

Sub: Second and Third Language option for Classes I to V

We are grateful to the parents who have actively participated in the survey conducted in continuing the Third Language Option by marking their choice. We would like to inform you that out of 1327 parents in the primary section, approximately 62% of the parents recorded their choice. In total 53% of the parents are in favour of continuing third language in the primary section. Considering this, the school will continue third language in the primary section as optional subject instead of being compulsory subject.

The third language will continue from Class VI onwards, as a compulsory subject and the syllabus will be in line with CBSE Guidelines.

Those who do not opt for Third Language, would be given classes for developing their social skills and extracurricular capabilities as the school decides.

The 2nd and 3rd Language options are as given below:

2nd Language: Hindi & Malayalam

3rd Language: Hindi, Malayalam, Arabic

Kindly select the languages your ward would like to opt for and return the proforma duly filled in, to the respective Class Teacher of your ward **on or before Sunday, 16 February 2020.**

Please note that:

- Once a language is opted, the same cannot be changed under any circumstances.
- Third language as a compulsory subject will be introduced with the options Arabic/Malayalam/Sanskrit/Hindi from Class VI onwards.

Thanks & Regards,

Alexander Gee Varghese
Acting Principal
