CIRCULAR (Classes KG I to XII)

Dear Parents,

To streamline the process of book distribution and to swiftly help you with the collection of books from school, we are bringing in a very simple modification to the schedule for next week (from Sunday, 14 June 2020).

- Route your book requests through a simple WhatsApp message to the mobile number: +968-78197530 (active on WhatsApp only and not on calls).
- Mention the GR Number and if book fee is paid online, please mention that.
- A token number and a time period will be received as a reply to the WhatsApp message.
- Arrive at the primary school at this prescribed time and mention the token number.
- The book fees can also be paid at the counter after getting the token number and time through WhatsApp.

This will drastically reduce the waiting time and help in effectiveness of the social distancing measures that we are taking from the school. Please note that the book distribution will happen in the primary school between 9 am to 2 pm. Kindly adhere to the above process and avoid coming randomly to school.

To augment the book distribution process, we are also keeping the courier services option open. For door-step delivery, you can please feel free to contact either of the below courier services.
