CIRCULAR (KGI-Class III)

Dear Parent,

Greetings of the Day!

Sub: Survey Result Online Classes

We are grateful to all the parents who actively participated in the survey conducted on online classes for the students of KGI to Class III for recording their choice. As one digs deeper, the survey highlights how important online classes have become, as it helps student to stay connected to school, friends and teachers. We are happy to share the survey results with you that also honours the dedicated efforts and the extra hours of hard work put in by our teachers on a daily basis to bring in the best learning atmosphere for your little ones with the limited resources that we have.

Considering the survey result and the views of our parents, **the school will continue with online Classes for KG2 to Class III students as well as all other higher classes.** You are welcome to connect school by giving your valuable suggestions to improve the online classes for the better deliverance and more effective. You can connect with office@isdoman.com for such sharing.

Thanks & Regards,

Alexander Gee Varghese
