ACTIVITIES

Indian School Darsait organised Teachers' Day celebration with great zeal and enthusiasm on 5th September 2023. The celebration began with a special programme which was conducted by Class XI students to honour the teachers both senior and primary section. The teachers were accorded a befitting welcome with a beautiful song and melodious ghazals. A programme of variety entertainments which included a semi-classical dance, group songs, vibrant dances from boys and girls, party games, recitation of a poem and speech marked the occasion.

An evening filled with fun and excitement was organized by the School Management Committee for the teaching and non-teaching staff and their family members in the senior school auditorium on 6th September 2023. It was a great evening to honour the staff for their selfless and meticulous work. The SMC eulogized each and every teaching and non-teaching staff on this occasion.

Indian School Darsait hosted an extraordinary programme to felicitate the famous Scientist Prof. Soborno Issac Bari on 9th September 2023. The highlight of the event was the address by Prof. Soborno which was not only enlightening but also invigorating, offering a wealth of knowledge and inspiration to students and educators alike. An interactive session followed, providing students with a unique opportunity to engage in a meaningful dialogue with the Chief Guest, fostering curiosity and a thirst for knowledge. ISD remains committed to providing holistic and enriching educational experiences, and this event stands as a testament to that dedication.
