## CIRCULAR (KG I to XII)

Dear Parents

Greetings of the day!

Sports and games are a great way to keep children active and healthy. They are so important in schools that they teach various skills like leadership, patience, team effort, and several social skills. Further, they keep their mind fresh, physically fit and add discipline to their study habit.

Today's educators and professionals, who are experts in school curriculum and child development, have recognized and acknowledged the importance of sports in education. The idea is to promote holistic development wherein sports play an instrumental role. Being a responsible school, we feel that the need for stronger sports culture is an integral part of learning environment. ISD is of the opinion that parents can make a significant contribution to this field. We are glad to announce the formation of a Task Force in this regard. It is an opportunity for parents to actively contribute to the development of sports in our school.

An Expression of Interest (EOI) is solicited from parents who are willing and who have remarkable achievements in sports to support this endeavour and they will cooperate with our Physical Education Teachers by joining the Task Force. ISD takes great pleasure in inviting you to register yourself by clicking on the link given below and be a part of the **SPORTS TASK FORCE latest by 30 April, 2024.**

<https://forms.gle/R4hQ1My8axBNgd1M9>

We will get in touch with you very soon to provide further details on the Task Force.

Thank you for your continued support and cooperation.

Regards

Amar Srivastava  
Principal
