## CIRCULAR (KG to XII)

Dear Parent

Greetings of the day!

As we approach the new academic year, the School Management and Staff are grateful to your whole-hearted support extended to our School Monitored Safe Transport System. We request you to avail / renew this facility for your ward for the new academic year too.

Under the School Monitored Safe Transport System buses are being operated from various locations in the capital area and will be extending services to the other routes apart from introducing more buses to the existing routes, based on the number of students opting for the new routes. Please see the details in the annexure attached with this circular.

Kindly enroll your ward in the School Monitored Safe Transport System for the safety of your children.

Regards

Amar Srivastava  
Principal
