Dear Parents

Greetings from ISD!

At Indian School Darsait, we believe that every child deserves access to quality education, regardless of financial circumstances. To further this commitment, we have already launched 'Sponsor a Child' Programme, aimed at providing financial assistance to deserving students who are facing or may face economic barriers to education. We invite parents to express their interest in joining the Task Force dedicated to this noble cause.

About the Task Force:

The Task Force for the 'Sponsor a Child' Programme will be instrumental in identifying and supporting students in need of financial assistance. Task Force members will undertake the following responsibilities:

- Collaborating with the School Management Committee and assisting in assessing the economic condition of students' families through careful examination of financial position by analysis and various means instructed by SMC.
- Leveraging personal networks and resources to seek sponsorships or donations from individuals or organizations willing to support deserving students and contribute to their education.
- Providing ongoing support to sponsored students and their families, monitoring their progress, and addressing any challenges they may face.

Criteria for Participation:

- Interested or/and willing to assist in social service activities in the Sultanate of Oman.
- Willingness to dedicate time and effort to assist in the sponsorship process.
- Ability to maintain confidentiality and uphold ethical standards in dealing with sensitive financial information.
- Capacity to collaborate effectively with school administration and fellow Task Force members.

If you are passionate about making a difference in the lives of our students by providing them with the opportunity to pursue their education, we invite you to express your interest in joining the Task Force for the 'Sponsor a Child' Programme.

Please send an email to the undersigned at principal@isdoman.com expressing your interest on or before 20 May 2024 and briefly outlining your motivation for participating in the Task Force.

Thank you for your continued support.

Warm regards

Amar Srivastava
Principal
