Academic Support Plan for Board Examination Preparedness

Dear Parents

Greetings of the day!

As part of the School Management Committee's initiative to strengthen the preparedness of the Board examinees, a comprehensive plan of action has been drawn up to support them in every possible way. This plan is designed to provide systematic revision, academic guidance and support to ensure that students are well-prepared and confident for the forthcoming examinations.

The following measures will be implemented with immediate effect:

1. Support Classes During Pre-Board Examinations – Classes X and XII:

Support classes will be conducted in school by subject teachers from 7:00 am to 10:30 am on the preparatory holidays, in accordance with the date sheet.

2. Doubt-Removal Sessions (Online):

For Class X, doubt-removal sessions will be conducted from 4:00 pm to 5:30 pm, while for Class XII, the sessions will be held from 7:00 pm to 8:00 pm. These sessions will take place during the Pre-Board examinations to help clarify concepts and resolve any difficulties faced by students. The subject teachers will share the session link in their respective Google Classrooms fifteen minutes prior to the scheduled time.

3. Revision Classes for Class X:

The revision classes will be conducted from 19 January to 1 February 2026, following the Second Pre-Board examination in the school. These classes will run each day from 7:00 am to 1:30 pm.

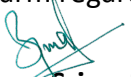

4. Stress and Anxiety Management Session:

A special session by the School Counsellor will be conducted on 20 January 2026 for Classes X and XII to help students manage exam pressure effectively.

A detailed schedule for the support and doubt-removal sessions will be shared by the respective class teachers in teachers in the class groups.

We earnestly appeal to parents to encourage their wards to take full advantage of these sessions, as consistent participation will greatly enhance their preparedness and confidence.

Warm regards

Amar Srivastava
